Strategic Communications in Russia

Public Relations and Advertising

Edited by **Katerina Tsetsura**, University of Oklahoma, USA and **Dean Kruckeberg**, University of North Carolina, Charlotte, USA

Series: Routledge New Directions in PR & Communication Research

This book serves as a reader exploring the scholarly inquiry, professional education and practice of Russian public relations and advertising in multiple contexts. Within the context of Russia's history, culture and ideology, the book begins by tracing the development of communication as a field, as a discipline, and as a social institution in Russia. It then samples current studies in Russian strategic communications, examining this professional specialization's current state and likely future directions.
